## Wabash Center Consultant Evaluation

There are a set of standards that guide the work of Wabash Center Consultants. Your evaluation of the consultant who worked with you will be helpful to the consultant's own development in this important role. In addition, this information will be useful to the Center as we continue to provide resources for departments and schools as they examine ways to enhance and sustain the quality of teaching and learning.

**Norms and Expectations** (please used reverse side for comments on any of the items)

	Very Successful	Successful	Somewhat Successful	Not Successful	No Evidence
1. The consultant helped us identify the outcome(s) best served by this consultation.					
2. The consultant helped us design a workshop/consultation plan tailored to our needs.					
3. The consultant followed the agenda we had agreed upon.					
4. The consultant helped us to use our time effectively.					
5. The consultant's leadership style in the consultation/workshop enabled us to do our work.					
6. The consultant made her/his expertise and perspective available to us as needed.					
7. The consultant set a tone for the workshop/consultation that kept us focused.					
8. The consultant respected our expertise as teachers who know this setting best.					
9. The consultant provided interpretation and feedback on our discussion that was helpful.					
10. The consultant assisted us in identifying important next steps we might take.					

Specific actions of the consultant that contributed to this process:

Specific actions the consultant could have taken to enhance the success of his/her work with us in this consultation/workshop.
