For Teaching and Learning in Theology and Religion

The Dos and Don't of Recording Sermons

Shauna Hannan, *Pacific Lutheran Theological Seminary*

Blog Series: Teaching with Digital Media

December 16, 2019

Tags: digital media | teaching preaching | video teaching

Some things are best expressed digitally. When the Wabash Center's "Teaching with Digital Media" Workshop challenged my preoccupation with using text to explain visual concepts, I decided to create a video rather than typing a "Dos and Don'ts" list for students in preaching courses. With the help of two savvy graduate assistants, we produced this VLOG. Spoiler alert: everyone survives!
