Amy Oden offers this Christian mindfulness practice for faculty and students who may need to pause occasionally during this time of disruption and anxiety in order to be more fully present. The practice draws on attentive breathing and embodiment from traditions of Christian spiritual practice. In this audio file, Oden walks through the 4 steps of 1) attentive breathing, 2) attentive embodiment, 3) acknowledgement and 4) discovery as outlined in her book, *Right Here, Right Now: The Practice of Christian Mindfulness* (Abingdon Press, 2017).
