

**IS GOOD TEACHING
ENOUGH?**

**PEDAGOGICAL CHALLENGES
SHAPING THE FUTURE OF
SEMINARY EDUCATION**

College Majors by Religious Tradition

**The challenge of
diversification of religious
leadership in pedagogies
cultivating the integration of
the three apprenticeships**

Table Conversation

- **How do the differences you encounter among your students influence your decisions about what to teach and how?**
- **How do their differences influence faculty efforts to facilitate the integration of the three apprenticeships in student learning?**

The challenge of preparing students to negotiate the claims and influences of tradition and modernity

Table Conversation

- **When and where do your faculty explore together changing views of God and practices of relating to God?**
- **In what ways do faculty members explicitly engage students in exploring the relationship between the God they are studying to the God they are worshipping?**
