

Social Justice Action Project Survey (Spring)

As you recall, one reason for having you complete the Social Justice Action Project was to provide information for my classroom research project on the best ways to teach and learn social justice. This survey is a means for providing information for me about the effects, as far as you can tell at this point, of your project. Please answer the following questions on this form in the boxes provided. Thanks for your help.

First Name (optional):

Alias:

Last Name (optional):

For the questions below, please insert an (x) in the box (1-8) that best represents your opinion.

1. Your work on the Social Justice Action Project in REL 405 has:

- helped you to develop a more sophisticated understanding of social justice
