

ENTERING CLASS OF 2014: PROFILE

LEARNED ABOUT CGTS:

Our entering students learned about us, by rank order, from:

1. An alumnus
2. A friend
3. A pastor

BY DEGREE PROGRAMS:

MDiv	61.5%
MTS	21.2%
ThM	2.2%
DMin	10.1%
Non-Degree	5%

ETHNIC AND GENDER:

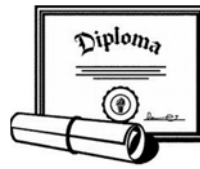

CGTS maintains its historical profile of being majority white and over 50% female. The ethnic student profile is shifting as the student population is becoming more diverse. This year the student population is 13% African American.

White/Anglo	78%
African American	12%
Asian/Asian-American	6%
International	6%
Hispanic/Latino/a	3%
Female	61.6%
Married	20%

UNDERGRADUATE STUDIES:

CGTS entering students came with the following majors from 27 different schools:

- 40% Social Science
- 30% Religion
- 10% Theology
- 13% Technical
- 2% Fine Arts

NOTES:

The majority of entering students (55%) come with little formal religious studies, theology, or Biblical studies background.

The increase of married students over two years (8%) requires attention to student housing needs.

3% of applicants declined acceptance due to a lack of financial or scholarship assistance.

There has been a 12% increase in ethnic/racial diversity over the past three years.

The seminary website continues to be a primary tool for recruitment.
